

Colin Challenger

Colin has a broad commercial and property practice with an emphasis on technical and engineering matters, business disputes and with a particular expertise in claims involving allegations of fraud. He is an accomplished advocate whose skill in cross examination is ideally suited to exposing the dishonesty of witnesses whose evidence is untrue.

Further information

Qualifications

- LLb (Kings College London); MBA (University of California, Berkeley)

Languages

- French

Memberships

- Combar

Background

Colin had an academic background in pure and applied mathematics, physics and chemistry. Frequently his contentious work involves disputes where detailed consideration of such areas as mechanical engineering and electronics is involved.
